

## General Manager

### Oxfordshire

Prestigious Events Company based at a fabulous City Venue in the heart of Oxford, has an exciting opportunity to manage the catering operation and develop the Outside catering business in Oxfordshire.

You will be responsible for all aspects of managing the Catering facilities at this venue for up to 400 guests including conferences, weddings and social events and driving sales for outside catering.

Ambitious and commercially aware to deliver key business targets and drive the business forward, with the presence and personality to influence the day-to-day business, you'll maximise the performance of your team.

Candidates must be able to demonstrate an ability to successfully manage events from start to finish whilst striving to exceed client's expectations and impact on future business.

Ideally you will have:

- Relevant event catering management experience
- Interpersonal, administrative and organisational skills
- Financial and commercial acumen
- Client management experience
- Successful manager in delivering the best standards and Service
- Proven track record in driving sales and profitability

If you believe you have the passion and skills for this challenge, Please only apply if you have an events background.
